It is with great pleasure that I write this reference letter for OSA Soccer Academy, LLC and its owner Giuseppe Pezzano. OSA has collaborated with us on a number of projects over a period of years, and we are very satisfied with the results.

In May of 2010 OSA organized two friendly matches for ACF Fiorentina's first team in Canada, one against Montreal Impact and the other against Juventus in Toronto. The entire organization of the trip, including air travel, hotels and transportation was professionally managed.

In November 2011 OSA organized the logistics of our Masters Coaching course for coaches from the Norcal Soccer League of California. The work that was done contributed greatly to the overall success of the course as OSA and its staff were very detail oriented and professional, we were very satisfied with the results.
